CONCORDIA UNIVERSITY — TEN YEARS OLD

Concordia University is celebrating its 10th Anniversary this year.

In August 1974 Sir George Williams University and Loyola College merged to form a new institution — Concordia — and students, faculty, staff and alumni will be staging a whole series of events during the months ahead to mark that happy event.

Among the celebrations planned are an open house, street festivals, exhibits at Montreal and suburban shopping

centres, lectures by distinguished alumni, film festivals, special athletic events, and much, much more.

Concordia is proud of its accomplishments during the past decade, and we hope that you will take the opportunity afforded by our year-long birthday party to share in our sense of achievement.

There'll be no shortage of activities to choose from, so make an effort to participate. We know that you'll enjoy what you see.

TENTH  ANNIVERSARY

COACHES

Head Coach PAUL ARSENAULT

Paul Arsenault begins his 21st season behind the bench as the second winningest University hockey coach in North American history. His 510 victories leave him behind the late John MacInnes of Michigan Tech who won 557 times over 26 seasons, but puts him ahead of Clare Drake of Alberta (504) and John Kelly of Boston College (501). Paul passed both Drake and Kelly last season racking up 31 wins in 50 tries, while leading the Stingers to their 9th consecutive Quebec University Championship and an overall second place finish nationally.

Paul's milestone 500th win came on February 3rd, 1984 as the Stingers dumped the Ottawa Gee-Gees 5-2 at the Concordia Athletics Complex. He and his family were honored at centre ice following the game and in his customary fashion, he gave credit to his assistant coaches, players and support staff, for making the many wins possible.

A 6-2 win over McGill on February 15th propelled Paul past John Kelly, and on February 24th and 11-3 semi-final series clinching victory over U.Q.A.C. in La Baie, moved Paul into second place ahead of Clare Drake.

However, the lofty win position among his peers is only one of Paul's many coaching accomplishments. In his 20 year career his teams have won 16 Conference titles and have amassed a winning percentage of .714. Paul has been named Quebec University Association "Coach of the Year" on three occasions and has won the National honour twice.

Paul's career began in 1963 when, after graduating from the University of New Brunswick, he took over the reigns of the Sir George Williams University "Maroons". In his first season the "care-free" Maroons lost their first five games before the players realized that the party was over and that commitment to the program was necessary. The Maroons rallied to upset Loyola and win the Ottawa-St. Lawrence Championship. Paul had the nickname changed to "Georgians" and won three more league titles during the 'Bob Berry era' before losing to Loyola in 1968.

In 1972, the Georgians edged Loyola 1-0 in overtime to win the Quebec Conference title in what was perhaps the most exciting college hockey game ever played in the Province. Following that season Paul moved to arch-rival Loyola College where he won two Championships in three years.

Since the merger of Loyola and Sir George Williams into Concordia University, Paul's Stingers have won the league championship every time. And, although he may be too modest to admit it, a lot of players have come and gone over the years, but the reason for the success remains. The reason is Paul Arsenault.

ERIC DIXON
Assistant Coach
3rd Season

Eric's winning attitude and aggressive coaching style fit in well with the team's philosophy. He has been a welcome addition to the Stinger Hockey coaching staff.

ROB BRODRICK
J.V. Coach

Rob joins the Stingers as Junior Varsity Coach after spending a year with the varsity doing game stats and analysis. In fact Rob did just about everything for the Stingers in 1983-84. He is the son of Expos team physician, Dr. Bob Brodrick.

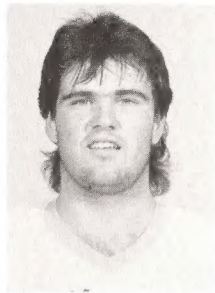

BILL DOHERTY
Assistant Coach

A newcomer to the Stinger coaching staff, Bill is certainly no stranger to Concordia. He played with the Stingers for three seasons before graduating and becoming the head coach of the Concordia Women's hockey team. When not working with the Stingers, Bill tends to one of his three McDoherty's Ice Cream Parlour outlets.

A former Most Valuable defenseman with the Brockville Jr. A's, he was the captain for the Valleyfield Senior's last year. Paul is small for college hockey but his great drive, spirit and leadership more than make up for his size. Look for Paul up front or on defense with the Stingers.

 Rob is a hard worker who can play both forward and defense. GILLES HEBERT

In the next to last game of his five year University hockey career, Gilles Hébert became the All-time leading scorer in Concordia – Sir George – Loyola hockey history. Gilles surpassed the record of 251 points held since 1977 by Randy Mohns, (Loyola – Concordia '74-'77), but it wasn't easy.

Heading into the 1983-84 season, Gilles trailed Mohns by 61 points. Over the regular schedule and through the Quebec Conference playoffs, he had managed to move to within 4 points of a tie. Ahead lay the National playoffs in Trois-Rivieres and two more games, possibly three. In a two game struggle with the powerful Alberta Golden Bears, Gilles picked up 5 points as the Stingers tied 2-2 and won 5-2 in overtime, and moved into the scoring lead.

It was a determined effort by the veteran Stinger Captain, and one that helped lead the Stingers to the National final, and earn Gilles a spot on the All-Tournament team.

Gilles' gutty performance in the National playoff epitomized his association with Concordia. A member of the Q.M.J.H.L.'s Shawinigan Cataracts he had to go to court to be allowed to play hockey in Ontario (Hawkesbury), where he went to make up courses for University entrance. Then he persevered the grueling schedule demanded by combining engineering and varsity hockey to become the Stinger's team captain and inspirational leader. Not having been blessed with the most natural hockey ability in the world, Gilles had to work hard for his success. His determination in the face of adversity was his strength and it rubbed off on his team-mates.

Gilles Hébert can look back with pride at his five year tenure with the Concordia University Stingers.

THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgment of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 33 Gold, 12 Silver and 4 Bronze medals.

It's a remarkable record of achievement, confirming that when it comes to fine spirits... Schenley is best.

SCHENLEY O.F.C.

The winner of 10 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

TROIKA VODKA

This exceptional vodka has won 5 Gold, 1 Silver and 1 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

SCHENLEY LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but five times! It's the main ingredient for an award winning martini.

RON CARIOCA WHITE RUM

Winner of 2 Gold, 4 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.

A taste you can call your own.
